

Tort & Insurance Forum 2022

March 3 – Live/Virtual Seminar

Program Producer: Lauren Paxton Roberts, Stites & Harbison

Total Credits: 2 General, 1 Dual

Join the Tort & Insurance Law section for their annual forum. This 2 hour General, 1 hour Dual CLE program will discuss recent developments in both the case law and statutory changes impacting litigation surrounding the Health Care Liability Act. The program will also include a session featuring ethical issues with errata sheets and the use of Zoom in depositions, and a panel of attorneys discussing evidentiary rules every litigator needs to know.

9:00 a.m. – 10:00 a.m.

CT

Health Care Liability Act

This CLE will discuss recent developments in both the case law and any statutory changes impacting litigation surrounding the Health Care Liability Act. Topics may include the cap on non-economic damages, limitations on the Lewis v. Brooks instruction, the end of the "Abshure Defense" for failing to identify agents on pre-suit notices, Notice of Intent to Sue letters and HIPAA forms, the safe harbor provision, comparative fault issues and the interplay of T.C.A. 20-1-119, as well as claims against governmental entities.
