

Restaurant CLE: Serving up Success at the Corner of Law and Food November 2, 2015

Program Description

This program will cover all corners and sides of the business and law of restaurants. Hear from experts about business development for restaurants, charitable food donations, tax law and auditing procedures. Real estate pros will discuss leasing versus buying space. Speakers will talk about licensing, liquor laws, and labor and employment issues. A special expert panel of practicing lawyers who are also restaurant owners will share their experience with you and answer questions. Sessions are packed with farm fresh ideas and food for attendees throughout the day. For the business lawyer this is a two for one special with information on business formation, taxes, licensing and employment law with added expertise in the area of restaurants tossed in.
