12:30 - 1:30 p.m. CT

Enforcement of Judgment Liens on Real Property

1 General

In this session you will learn how to properly perfect judgment liens on real property in Tennessee and the options available to collect on such liens through voluntary sales, interpleader actions, and foreclosure. Further, the session will discuss the benefits of liens on real property, including Mechanics and Materialmens Liens.

Patty Whitehead, Rubin Lublin

1:30 - 2:30 p.m. CT

Debt Collectors and Standing In Wake Of Hunstein in the 11th Circuit

1 General

How much injury must one suffer to activate the Constitutional powers of Article III? Not very much according to Hunstein. This session will explore 11th Circuit's decision in Hunstein vs. Preferred Collection, it's holding, it's FDCA analysis, and the current posture of the case.

Stefanie Jackman, Ballard Spahr

2:30 - 2:45 p.m. CT

Break

2:45 - 3:45 p.m. CT

Cyber Security - Confronting Medusa

1 Dual

This presentation identifies the current state of Cyber Security, the gap between Corporate Governness and actual cyber security. Additionally, why constructing a proactive cyber fabric minimizes a cyber attack and protects against negligence claims. Cyber Security law is changing by the day with new Government regulation, insurance carriers denying claims and Public Utilities falling victim to cyber criminals.

Lewis Borsellino, DefendEdge
