9 - 10 a.m. CT **Registration & Breakfast**

10 - 10:30 a.m. CT **Tennessee Statewide Court Information Systems Technology Solution Update**

.5 General

In 2023, the Tennessee Supreme Court established a Court System Information Technology Oversight Committee to assist the Court in developing a strategic plan for the use and maintenance of technology in Tennessee's judicial system and in overseeing implementation of that plan. The initial scope was to develop a plan for statewide e-filing and other related technological improvements to the court system. The oversight committee developed a strategic plan that will guide Tennessee's judicial system into a new technological era. This session will provide insight on the current state court system and provide an update to the progress of the Technology Strategic Plan for Tennessee.

Joseph Day, Davidson County Circuit Court Clerk
