### Advocacy Training

Tennessee Alliance for Legal Services

*TN Free Legal Answers, the virtual legal clinic for Tennessee, is a unique pro bono opportunity that allows low-income Tennesseans to ask questions over secure, online messaging about their ongoing civil legal issues. Volunteer attorneys can log in to the website at any time, choose a question to answer, and anonymously respond to the question. All communication on the site is secure, anonymous, and malpractice insurance is provided. This session will introduce TN Free Legal Answers, train attendees best practices in volunteering for TN Free Legal Answers, address ethical concerns, and include an interactive tour of the volunteer site.*

**12:30 – 1:30 pm**

### When Partners Exit

Lauren Anderson

*Baker, Donelson, Bearman, Caldwell & Berkowitz, PC Business partners in a closely held enterprise wear many hats and are often highly reliant on each other. As a result, it is important for protective steps to be taken in the event a partner exits the business. This seminar will discuss the topics that legal counsel should raise with their clients as they guide them through the strategic process of establishing binding guidelines for when such exits occur. The seminar will also touch upon certain special considerations when the closely held business is a family-owned business.*
