

Wedding CLE

March 29, 2017

The Cordelle – Nashville, Tenn.

Total Credits: 4 General

Bells ring, friends and family gather, and when it's over the happy couple leaves married. But there are *so many* types of arrangements and forms this can take for wedding celebrations to get to that point! Experience this CLE at one of Nashville's premier wedding venues, The Cordelle, with all the cake, mimosas and darling wedding mints you could want. Sessions will touch on a variety of nuptial-related considerations, such as what to do pre-wedding, how to handle blended families -- and all the way through tax planning. Don't forget about those "tortes" and contracts for venues, photographers and entertainment that keep the guests happy!
