Everything You Ever Needed to Know About the VA & VA Benefits... Almost!

This presentation will equip attorneys with a working knowledge of the VA, and the fundamentals of the most common claims elder law attorneys are most likely to face, and how to be successful in preparing them. Starting with a broad overview of the Veterans Administration, we will conduct a deep dive into service-connected compensation and the non-service-connected pension. We will wrap up discussing the VA's PIV program, the DOJ's RECA program and what is new in the VA world.
