| 11:30 a.m. – 12 p.m. CDT | <b>Registration and TBA President Networking Lunch</b><br>(Lunch provided)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| 12 – 1 p.m.              | <b>ABC's of DN; 123's of Title 37: Understanding how DN affects civil and criminal litigation, and best practice overview</b><br>Dependency and neglect proceedings often result from allegations that lead to constitutionally protected civil proceedings and stay or affect civil custody litigation. This session will cover the process of DN allegations and how civil and criminal litigation may be impacted. It will conclude with a discussion of best practice as to professionalism and attorney well-being.<br>Stacie Odeneal, The Odeneal Firm |
| 1 – 1:10 p.m.            | <b>Break</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| 1:10 – 2:10 p.m.         | <b>Ethics Update: Current Developments from the Board of Professional Responsibility</b><br>This presentation will address recent disciplinary decisions and discipline imposed by the Board of Professional Responsibility and the Tennessee Supreme Court, applicable rule changes and other current ethical issues.<br>Sandy Garrett, Tennessee Board of Professional Responsibility                                                                                                                                                                      |
| 2:10 – 2:15 p.m.         | <b>Break</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

2:15 – 3:15 p.m.

**The Professional Duty of Self Care**

This program examines stress and anxiety suffered by legal professionals, especially in the wake of COVID, and it offers strategies and resources on best practices in self-care and well-being in these challenging times.

**Buddy Stockwell, Executive Director, Tennessee Lawyers Assistance Program**
