Registration/Welcome

Breakfast provided

8:30 – 9:30 a.m.

Essential Law Firm Technology

To be competitive (and profitable) in the marketplace for legal services, law firms must embrace certain technologies. Clients expect it, the Rules of Professional Responsibility require it, and it's more user-friendly than ever. This presentation will show you what you need and DIY implementation. Q&A, snacks.

Sean Martin, Martin Heller Potempa & Sheppard

9:30 – 10:30 a.m.

Technology Traps for the Ethical Lawyer

Today's law practice is aided, if not driven, by technology tools. This session will identify some of the common, often hard-to-spot pitfalls for the otherwise-ethical lawyer who uses these tools and provide strategies for avoiding problems.

Tim Chinaris, Belmont University College of Law

10:30 – 10:45 a.m.
